

HB 3273 Required Notice

Attention Taxing Unit,

Section 26.04 (e-2) of the Texas Property Tax Code requires each taxing unit to display the following statement and link prominently, in bold typeface, on your website:

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

Additionally, Section 26.18 of the Texas Property Tax Code requires that you post specific information on your website—see also the attachment.

Please ensure your website includes the required information as described above. Failure to do so could result in a taxpayer injunction against the collection of taxes for your taxing unit.
